

AIRC Green Team Meeting Minutes
February 2nd 2012

Elida Erickson, on reusable dish ware,
48 initial dishware sets for the ERCS
The SSC will be paying 80 percent of this cost
If used at Drum Feast or other events need to washes by catering or nearest dining hall

Waste Stations

Set up bio bags
People to attend at waste stations
Training sessions for the waste stations
Request extra bins
For all this contact Work Order Desk
Ask them how many we will need for amount of expected attendees

Signs

Amber from OPERS fall festival may have signs for us to borrow for event
Or we could buy our own as an investment for ERC's
Zero waste signs we may be able to borrow from SCC

Compost Plates

For Bio-ware/ renting canteens talk to Candy and Tracey T. from dining services
Figure out the scope between disposable dishware and reusable for our event
We order bio-ware through dining services
Make bio ware a requirement for vendors
Stress green aspect to vendors and orgs
Don't forget to tell people about bringing their reusable bottle or mugs
