Attendees: Carolyn R., Michelle N., Lucio R., Madana C., Chelsea H., Blanca F., Carolyn D., and Jessi F.

- Team members should read the constitution.
- Minutes:
  - We will take turns and also keep hard copies of minute in the Green Team binder.
  - Turn in, by email to Madana C. to review and to keep track of who took the minutes.
  - Will post minutes online Monthly once the website have completed update. What level of presence do we want on the website? Next post will be December.
- Next meeting we will work on presence layout.
- Evaluations:
  - time management, fund-raising, rooms were booked, had event too early in the quarter, need more back up plans.
  - A better time for the event would be Winter/Spring. Could have done twice.
  - Turn in
- Powwow – apply Winter for money Spring.
- Fundraising
  - recycling can donations? -Madana
  - Sell candy bars from costco. -Blanca
  - “make sure it is memorable,” -Chelsea, “...bake sales...”
  - “It is good to get the word out,” -Lucio, “...writing proposals for money” [is better for work experience.]
  - Can contact Eco organizations, CAN (coffee) at CHP -Chelsea
  - Collaborate with student organizations
  - Go to colleges and ask for money to fund powwow.
  - CSC proposal will be for our table and ensure the event is Zerowaste.
  - Use our own money to sponsor event.
  - What fund-raising can we do? What works?
  - In the past UCSC powwow was \$30,000
  - Collaborating support?
  - How much money do we want to raise? \$100's – \$1000?
  - Important to do for outreach
  - What is our hook?
  - Should we fund-raise?
  - We can say we are collaborating along with them.
  - The CSC is there to help us start out.
  - What is our role in helping out.
  - Think about and present at the next meeting.
  - Can do fund-raising event at end of winter. Something easy like donate batteries and printer cartridges, etc.
  - Ski activist: “Dorm storming”
  - collaborate with sustainable groups that make goods from upcycling. Have them donate their goods to raffle off at events.
